Sir:

The Communication dated January 16, 2009 alleges that the Appeal Brief filed December 10, 2008 is defective, stating:

The headings "Evidence Appendix" and "Related Proceedings Appendix" is missing, if there are none an indication of "none" or "not applicable" is required.

Confirming the undersigned's conversation with Darlene Brown of the USPTO, the noted headings appear on page 27 of the Appeal Brief, as items IX and X. Each heading is followed by the notation "(none)", to indicate that there are no appendices corresponding to these two sections.

In view of the foregoing, is it respectfully submitted that the Appeal Brief filed December 10, 2008 complies with the requirements of 37 C.F.R. §41.37.

Based on the telephone conversation, it is the undersigned's understanding
that the Notification of Non-Compliant Appeal Brief is being withdrawn.
